

This Application is being submitted to the local distribution company (the "LDC") under the Save on Energy Process & Systems Upgrades Program (the "Program"). Capitalized terms used but not defined in this Application will have the meanings set out in the Energy Conservation Agreement between the Independent Electricity System Operator and the LDC or the Program Rules, as applicable. Please note that an Application will be considered to be completed and submitted only after a complete and signed copy of the Application has been uploaded to iCON and the information and values recorded on such Application are entered in the iCON database. To submit this Application, please deliver a signed electronic pdf version to your LDC.

DETAILED ENGINEERING STUDY INCENTIVE APPLICATION

SUPPORTING INFORMATION

Please indicate below the list of attached supporting documents:

1	Energy Assessment Report (RECOMMENDED)
2	Preliminary Engineering Study (if it was completed without IESO funding) (RECOMMENDED)
3	Consultant's Detailed Engineering Study Scope of Work (REQUIRED)
4	
5	

DECLARATION

each of the LDC, the IESO and the Technical Reviewer and all of their respective past, present and future officers, directors, employees, owners, shareholders, agents, successors and assigns, and third party service providers and their respective subcontractors from any and all actions, causes of action, suits, complaints, disputes, debts, liabilities, obligations, damages, legal fees, costs, disbursements, expenses, claims and demands of every kind, at law or in equity, or under any statute, which it can, shall or may have by reason of any matter, cause or thing arising as a result of, in relation to or in connection with the attendance by one or more of the employees, officers, directors, representatives, agents or third party service providers and their subcontractors ("Persons") on one or more occasions of the LDC, the IESO or the Technical Reviewer at any and all facilities owned or occupied by the undersigned in connection with, arising out of or relating to the Program, other than in the case of the gross negligence or willful misconduct of such Persons during such attendances.

2. The Applicant hereby acknowledges and agrees that by submitting the Application, whether or not the Application is ultimately accepted:
- (a) the Applicant hereby consents to the collection, use, disclosure and other handling of any information it provides to each of the LDC, the IESO and their respective representatives, affiliates, third party service providers and agents (collectively, the "Program Operators"), including all reports, data, personal information, records showing historical energy use and consumption, and other information of the undersigned or its subcontractors or representatives (collectively, the "Applicant Information") by the Program Operators for purposes relating to the operation, administration or assessment of the Program, any initiative thereof or the Application, and in connection with any reporting activities relating to the Program, which shall include, without limitation: (i) sharing of Applicant Information among the Program Operators; (ii) use by the Program Operators of the Applicant Information provided by the Applicant to process any of the undersigned's Applications and to conduct, analyze and report on the results of surveys and modify the Program based on such surveys; and (iii) disclosure to the Ontario Energy Board, the Ontario Ministry of Energy or the Ontario Environmental Commissioner or their respective successors;
 - (b) all information provided to the LDC and/or the IESO, including the Application and information in the Application, is subject to applicable laws that include the access provisions of the *Municipal Freedom of Information and Protection of Privacy Act (Ontario)* or the *Freedom of Information and Protection of Privacy Act (Ontario)*, as the case may be, and that as a result, third parties may obtain access to the Applicant Information; and
 - (c) the Applicant hereby consents to the disclosure by the IESO to the LDC of information regarding the Applicant's past participation in other IESO funded conservation and demand management programs for the purpose of processing the Application.

3. The Applicant understands and hereby acknowledges that the entry into a Detailed Engineering Study Funding Contract is required in order for the Applicant to receive funding, if any, under the Program. The payment of funds, if any, to the Applicant will be made according to the terms and conditions of the Detailed Engineering Study Funding Contract.
