

A close-up photograph of a male worker in profile, wearing a bright yellow hard hat, clear safety glasses, and a white respirator mask. He is wearing a blue work jacket and yellow gloves, and is focused on working with a piece of machinery. The background is blurred, showing industrial equipment.

Business is better with energy efficiency.

Retrofit Program

At Alectra Utilities, we're committed to finding ways to help you do better business, whether it's by spending less on electricity, upgrading your systems, or finding ways to eliminate energy waste and increase profits with a competitive edge. With the Retrofit Program, you'll also enjoy faster payback by receiving up to 50% off your project costs, giving you more to reinvest in your business.

Financial incentives available at retrofitmybusiness.com
